

To Our Friends and Customers:----

We take pleasure in presenting herewith our Statement of Condition as submitted to the Comptroller of the Currency as of December 31, 1941, and invite your careful attention to it, and invite your attention to the strong cash position and increase in deposits as compared with a year ago.

The sound strength of this Bank is plainly revealed in the figures of this statement of condition. This strength is not a matter of chance. It is the direct result of careful, conservative management, wide experience and devoted service, coupled with the loyalty and good will of our customers, for which we are most grateful. We want to express to each one of them our sincere thanks for their past friendship, and solicit a continuation of their support.

The aims and purposes of this Bank in the future, as in the past, will be as follows:

1. It will be our purpose to render the best Banking service that it is possible for us to render, taking into consideration safe and sane banking methods.
2. It will be our continued aim to work and to use the entire resources of this Bank for the upbuilding of this entire section.
3. It will be our purpose to endeavor to handle the resources of the Bank in such a way that a reasonable profit will accrue to our Stockholders.
4. It will be our purpose to cooperate with industry and agriculture in National Defense.
5. It is the purpose and aim of the officers of this Bank to keep our institution prepared to meet the problems of readjustment that will surely follow the end of this terrible war.

It is the part of wisdom for every individual, firm and corporation to do its banking business with a Bank that is not only safe and conservative, but one that is strong and progressive, and that is willing to extend credit.

One might ask the question, "Can I borrow money at your Bank"? The answer is "Yes"; you can borrow money from this Bank, provided you meet our requirements for making sound loans. We invite safe loans.

We solicit your business on the strength, safety and conservatism of this Bank.

All deposits received by mail are given the special attention of an officer of the Bank.

Grand Jury In Short Term Finds Only Ten Bills

The grand jury empaneled in Elba Monday morning recessed Tuesday afternoon and returned ten true bills, five for misdemeanors and five for felonies. This was one of the shortest sessions of a grand jury on record here.

The docket of the non-jury, equity and appearance divisions were also gone over during the two-day session of the court. Judge C. B. Brannen presided and Court Reporter Clarence McCarthy and Solicitor J. A. Huey were also in attendance. Judge Brannen announced that the regular jury term of court scheduled for Enterprise beginning February 9, had been postponed because there was only one or two cases on the docket that could be brought to trial at that time.

Those serving on the grand jury were: Fulton Spurlin, Ed Kelley, F. D. Veal, W. C. McCollough, Earle W. Eddins, H. D. Jones, B. B. Boutwell, M. A. Holms, Foreman; Johnnie Bryan, D. C. Ellenburg, F. J. Grant, J. D. Hodge, U. G. Snow, H. P. Levett, Lomas Leverett, Fred Meacham, G. W. Hudson, Wiley J. Gatlin. Ran McCollough served as bailiff.

MR. FLEMING ENTERS RACE FOR COLLECTOR

In our regular announcement column today will be found the formal announcement of Mr. J. C. Fleming, of Elba, who enters the race for Solicitor of this Circuit, composed of Coffee and Pike Counties. His friends have known for some time that he would make the race for this place.

Mr. Fleming is a native of Pike County, having been born and reared near Brundidge. He came to Elba many years ago and entered the practice of law and has practiced extensively throughout Southeast Alabama. He needs no introduction from our people as his record is already known to voters in both counties. Friends in all parts of the circuit will be interested in his candidacy.

SHIP-BUILDERS' SCHOOL ESTABLISHED IN ELBA

County Superintendent A. C. Dunaway is authority for the announcement that a class in shipbuilding is being organized in Elba. The class will be held in the boys' NYA building, north of the High School vocational building, under the instruction of a competent shipbuilder. Applicants for the 16-week course may enroll any night from 6 o'clock to 12 at the Elba building. All boys and men over 17 years of age are eligible to enroll.

The class will be in session five nights each week from 6 to 12, and free transportation to and from the school for all Coffee County enrollees. However, it is suggested that enrollees should make haste, as the membership will be limited to approximately twenty students.

O. F. LIGHTNER ENTERS COFFEE SHERIFF RACE

Mr. O. F. Lightner, well known former sheriff of Coffee County, formally announces his candidacy for that office in this issue of the Clipper.

His years of experience as a peace officer well equip him for this important post, and his numerous friends point with pride to his enviable record as sheriff of this county, and predict that he will make a creditable race.

In a recent interview, Mr. Lightner stated that a fair and square deal for every one and a judicious and impartial enforcement of the laws are what he has to promise.

Mr. and Mrs. A. G. Jones, daughters Bettie and Barbara, and Mrs. Mary J. Newton were Montgomery visitors last Friday.

COFFEE COLORED WOMEN ACTIVE IN NUTRITION WORK

The colored women of Coffee County are entering wholeheartedly into the nutrition campaign which is part of the defense program.

Para Lee Kennedy, of Enterprise, heads the list of local leaders in point of accomplishment. She has made a personal survey of 41 homes ascertaining conditions that exist in order to be able to know what is needed most by the families in the matter of nutrition.

The 21 colored leaders in Enterprise have had two demonstrations where they studied food elements and vitamins. New Brockton has 31 active leaders. These women and similar classes of white women over the county serve in a county-wide nutrition program, carrying to their neighbors instruction in nutrition concerning gardens, poultry, dairy products and food selection in order that these be ample and proper for every family.

The 15 home economists in the county, extension workers, FSA, and vocational teachers hold court meetings, or leadership schools, for instruction of the local leaders.

DEPUTY COLLECTOR TO HELP ELBA INCOME TAXPAYERS

Birmingham, Ala., Jan. 23. (AP)—Mr. Editor: This office has arranged for a Deputy Collector to be at the Post Office in Elba on February 9th for the purpose of assisting taxpayers in the preparation of their 1941 Federal income tax returns. There is no charge for this service, but the taxpayers should have all their information in the proper form before visiting the Deputy's office.

It will be greatly appreciated if you will make a notice of this fact in your valuable newspaper in order that the public may avail itself of this service.

A. J. MORROW ANNOUNCES FOR 'O' TAX COLLECTOR

Mr. A. J. Morrow, in this issue, formally announces his candidacy for re-election to the office of Tax Collector of Coffee County, subject to the Democratic primaries.

Mr. Morrow also addresses a statement to the voters of Coffee County, calling attention to his record and accomplishments during the years he has served in the important and difficult capacity of collector of taxes.

Mr. Morrow's numerous friends are glad to know that he is a candidate for re-election.

WALTER LEE, SR., FORMER ELBIA, DIES IN EVERGREEN

EVERGREEN, Jan. 26.—Walter Lee, Sr., 73, of Evergreen, died Monday morning in his home.

He was the son of the late Capt. C. S. and Polly Lee, of Elba. He was born in Elba January 13, 1869, lived in Troy for some years and moved to Evergreen when a young man, and became prominent in business and was one of the largest planters in the State.

Mr. Lee is survived by his wife, one son, Walter Lee, Jr., of Evergreen; one daughter, Mrs. Jerome Tighman, of Valdosta, Ga., and the following sisters: Mrs. T. M. Hurt, of Jackson, Miss.; Mrs. Sue Lee Gunter, of the University of Alabama; and Mrs. Julia Sanders, of Birmingham and Tuscaloosa.

Funeral services will be held from the home at two p. m. Tuesday and interment will be in Evergreen.

Miss Mildred Nunn visited relatives in Lochapoka during the past week end.

Mr. and Mrs. A. G. Jones, daughters Bettie and Barbara, and Mrs. Mary J. Newton were Montgomery visitors last Friday.

County Agent's Column

By HUGH SEXTON
County Agent

For the last few months several good slogans have been used by all of us when we attempt to talk about the war and the difficult tasks that are ahead of us. One of the best slogans that has come to the attention of the writer was one advanced by Prof. A. D. Burke of the Dairy Department, Alabama Polytechnic Institute, Auburn. His slogan is: "Food will fit our fighting force and force the fighting to a fitting finish."

Farmers have been told that their foremost obligation in the crisis is to increase the production of food—milk, eggs, meat and poultry. Increased production of these food products is expected in 1942 with less labor, less new implements and less fertilizer. This calls for better planning, more hours of human labor and more efficient use of mules and machinery. Food will win this war and farmers in Coffee County are well equipped to produce it.

The fertilizer situation thus far seems that there will be no shortage of goods about equal to 1941, however, this is not certain. The supply of nitrogen is more uncertain because (1) more nitrates are going into explosives and other uses, and (2) inadequate shipping facilities, especially ocean transportation from Chile. Farmers should place their fertilizer orders at once.

Farmers who plan to seed a pasture this spring or who plan to improve an old one are reminded again that agricultural limestone and 20 per cent superphosphate are obtainable through the AAA for this purpose. White Dutch clover seed is also available.

Attention is also called to the fact that kudzu crowns can be obtained through the AAA. This seed is also available.

COFFEE COUNTY JUNIOR HIGH SCHOOL BASKETBALL MEET

The annual Coffee County Junior High School basketball meet will be held at the Elba Armory. Games will start Friday, January 30, at 2 o'clock p. m. and continue all night.

Play will be resumed Saturday morning at 10 o'clock and continue until a champion has been selected. Saturday night, approximately fourteen teams are expected to compete for the junior championship of Coffee County. There are a number of strong junior teams in the county and some spirited games are anticipated.

ELBA CLUB HEARS PROGRAM ON CLOTHES

The Elba Study Club met at the Brunson Hotel Thursday afternoon for its January meeting. The program and business session, with Mrs. J. M. Rowe as hostess, was held at the Elba Armory.

PRESSURE COOKER CLINICS TO BE HELD IN COUNTY

According to a report released Tuesday by Mrs. Beatie Hutchison, production chairman, the month of January has been a very busy one in the sewing room located in the Vaughan building next door to Whittman Drug Store. Reports show the following items already shipped during the month: dresses 124; jerseys 41; sweaters 15; shirts 11; skirts thirty-five.

This does not take into account a large number of articles that she has made. Mrs. Hutchison stated that a number of ladies have been working regularly at the sewing room and she is proud of the fine cooperation received and that there is need for many new volunteers to help in this work. The room is open every week day, and it is comfortably heated and well lighted.

JAMES SAYS AGRICULTURE IS BUSINESS BAROMETER

(By Mrs. L. C. Hutchison)
"Help the growing spirit of sympathy and understanding now existing between business and agriculture to develop into a strong hand of help to the Nation," was the advice of Prof. DeLoe James, Director of the Department of Agriculture of the U. S. Chamber of Commerce, speaking before the board of directors of the Enterprise Chamber, county agricultural workers, business and professional men at a luncheon held in the Rawls Hotel recently.

As an immediate and practical means toward that end, Mr. James suggested the appointment of a committee of 25 or 30 members, including agricultural and business representatives, who might plan and work for their common interest.

A study of statistics shows that agriculture is the barometer of prosperity in America and the fluctuations of business and industry depend upon the state of agricultural prosperity," said the speaker, giving this as a reason for the cultivation of complete harmony among the three.

Discussing the Price Control Bill now before Congress, he stated that the criticism of agriculture from some quarters concerning the demand for 110 per cent parity, was unjust, as farmers had never received parity but for few of their products in comparison with the returns from business and industry and the 10 per cent above was requested in order to take care of probable fluctuations.

Diversification was strongly advocated, with emphasis on dairy, pork, poultry, garden and livestock products generally, for local use and consumption. Proper nutrition will mean a healthier and fuller life for your people in addition to what is shared."

The rapidly increasing demand for food can take care of the adjustment of acreage and the curtailment of crops for which there will be decreased markets," stated the visitor from Washington, who reviewed conditions during and following World War No. 1 as indicative of markets in unsettled times, surpluses and shortages to be expected.

SCREW WORM KENEDY NOT EFFECTIVE AS A DRENCH

AUBURN, Ala.—The Department of Agriculture's recently developed "Sinear No. 62" has been proving a highly effective treatment for screw worms, but it should not be considered a cure-all for every kind of parasite that attacks livestock. For example, Alabama farmers are not likely to find it satisfactory as a drench for stomach worms of sheep.

Lesson for February 1

JESUS CALLS FOUR DISCIPLES

(By Mrs. L. C. Hutchison)
LESSON TEXT—Luke 8:1-11.
GOLDEN TEXT—Come ye after me, and I will make you to become fishers of men.—Mark 1:17.

Followers of Christ are those who have not counted their goods nor their persons their own, but have willingly yielded all to Him. Obviously many who profess to follow Him have only done so in that manner which will not interfere with their own plans and interests. They need to study this lesson with care.

The call of Christ is one which demands willing and wholehearted obedience.

I. Yielded Possessions (vs. 1-13).
These disciples had already responded to the ministry of Jesus and had followed Him for a time (see John 1:35-43), but they did not yet know the fullness of surrender to Christ and had now gone back to their old work of fishing. May they not be typical of many in our day who know the Lord and have for a time followed Him closely, but have again become engaged in their daily vocation, perhaps just making money?

Jesus was now ready to call them out into a lifetime of service, and the first thing He did was to ask the use of their chief possession, their boat. That was just yielded to Him. It was not by chance that it was Peter's boat which was just at hand when the Master needed it. Such things are not "just happenings." The destinies of men are in the hands of God, and with His children the simplest happening is known to and controlled by Him. He who numbers the hairs on our heads, He who observes the fall of the sparrow, knows about everything that happens to us.

II. Yielded Service (vs. 47).
Having completed His teaching by word, Jesus had a special object lesson for Peter and the others concerning the fruitfulness of service apart from His guidance and control, and the blessed results which come from obedience to Him.

Taking them where he found them, He showed the disciples that He was the Master even of the secular vocation of fishing. He is the One who knows more about your business than you do, who can give or withhold His blessing. All that we have has come to us from His hand, and it is all within His control.

This Almighty One was ready to call these fishermen out into the greater business of fishing for men by revealing to them His mighty power to bless and prosper the fisherman who becomes a fisher of men.

III. Yielded Lives (vs. 81-11).
The giving of their possessions, the yielding of their work into His hands in obedience, led up to this call for the yielding of their lives.

Often we speak of God's claims upon the life of the Christian as though it were the list of an autocrat, one who demands his rights. God might well do so, for He has full authority and power over all of us, but He is a gracious God and gently leads His children along the path where they make their own decision to leave all and follow Him.

The work of God in the world is carried on by men. The joy of proclaiming the gospel was not given to the angels, but to redeemed men and women. Knowing the regenerating grace of God in their own lives, they have been called during all this Christian era to go out to tell others.

In preparation for that ministry which He sought and found in these humble fishermen. They were "not visionaries or dreamers, but were practical men with common sense. They had been disciplined in the school of common toll. . . . Though unlearned so far as formal theological training was concerned, these men were teachable. Under the tutelage of the Son of God Himself they received matchless informal training. . . . leading to a record of service which the world will never forget. It is that sort of teaching that counts. We, too, may learn in the school of Christ, through a study of His Word, assisted by His Spirit, and through the yielding of our lives to His control" (B. L. Christ).

Christ no longer walks this earth to seek and call out disciples as He did these men, but the blessed succession of those of whom it may be said, "They forsook all and followed Him" (vs. 11), continues to this day.

We repeat what we have said before, that one of the thrilling things about teaching Sunday school is that somewhere, in some class this next Sunday, God is going to touch the heart of some boy or girl who will be a leader for Him for the next generation.

FOOD DEFICIENCIES AND HOW TO PREVENT THEM

Gross deficiencies of vitamins and minerals in food is about as much damage to the human body as does being gassed or hit by machine gun bullets, says Miss Mamie B. Mathews, home demonstration agent.

A deficiency of Vitamin C that may result in a cripple with sore, stiff joints, swollen and bleeding gums and loose teeth may be corrected by eating raw fruits and vegetables.

If a person has a deficiency of Vitamin G, which cripples the activity of every living cell and interferes with growth, it may be corrected by eating plenty of lean meat, liver, milk products, leafy vegetables, prunes, salmon, and wheat germ.

If a gross deficiency of some food essential completely wrecks a human being in body and often in mind, as we know it does, that substance obviously plays a profound part in our life processes. With this in mind, Miss Mathews said that Coffee County farmers should do everything possible to see that their families receive balanced diets with adequate vitamins and minerals.

The number of pigs saved in the fall season of 1941, estimated at 35,580,000 head, is 18 per cent higher than the fall pig crop of 1940, or 23 per cent higher than the 10-year average (1930-39). Alabama's fall pig crop was estimated at 580,000.

SHORTAGE OF BAGS IS REPORTED IN NATION

AUBURN, Ala.—The U. S. Department of Agriculture calls attention to the fact that many farmers and packers of farm products will find it necessary to change their packing and shipping practices because of the limited supplies of container materials such as burlap or cotton fabric bags and heavy paper bags. The shortage of burlap and heavy paper bags is most serious. Greater use of wooden containers and cotton or heavy paper bags in 1942 is recommended wherever possible. Packers of agricultural products are urged to follow the container supply situation closely and make necessary plans.

All members of many Alabama 4-H clubs already have purchased defense stamps and bonds. This program is being promoted in every county by assistant county agents.

A new "robot chemist" that automatically and continuously measures the amount of chlorine drip-ped into city water, was recently described.

Every club member can help win the war by buying as many defense stamps and bonds as possible. Free books in which to place stamps can be obtained at banks or postoffices. Stamps in 10, 25 and 50 cents, \$1 and \$5 denominations can be bought at any postoffice, rural mail carrier or bank. When an amount of these stamps equivalent to a bond has been bought that can be exchanged for a bond.

Since food has become the front line element of this war, Coffee County 4-H members should start this month in order to produce a year-round garden. Some vegetable should be planted in gardens at least 10 months of the year, Mr. Arant says.

Every club member can help win the war by buying as many defense stamps and bonds as possible.

WAYNE "MAGIC" CIRCUS IS COMING TO TOWN TONIGHT

Magic and fun for everyone. Magic that would make the "Three of Spades" "wall-eyed" with envy. . . . A bewildering whirlpool of sensational "mystic" surprises that will widen your eyes with astonishment is promised those who attend the WAYNE "MAGIC" CIRCUS to be held at the Elba High School Auditorium, Elba, Ala., Thursday, Jan. 29, at 7:30 P. M.

This show comes to this community through the courtesy of Allied Mills, Inc., manufacturers of Wayne Feeds, and the Elba Hatchery, the local Wayne Feed Dealer.

Clifford P. Kirkpatrick, the man who mystifies magicians, is the feature attraction of the circus. Mr. Kirkpatrick, veteran magician and globe trotter, has performed for more than thirty-four years. He comes from a family which for many years has been noted for their ability to wield the "Magic Wand" and produce unusual objects out of hats.

Another very popular feature of the magic circus is to be showing of an educational sound slide film—"It's In The Bag." This film is said to be very interesting and educational.

A great show and a lot of fun is in prospect. The show is open to the public and everyone is invited.

CURTIS P. T. A. MEETS

Curtis School P-T-A. met on Thursday night, Jan. 22, and an interesting program was rendered on the subject of "Salvage For Victory," with E. C. Griffin program chairman, as leader.

Mrs. Grafton Young, president of the organization, gave the introduction to the subject and Mrs. Whiston Mixon spoke on "Rubber Rationing." Interesting comments were added by E. C. Griffin and R. L. Farris, and the determination to get waste materials into the hands of scrap dealers was much in evidence.

Following the inspiring program, a social hour was enjoyed.

BLUFF SPRINGS
NEWS

Well, here I come again! It's been some time since I've written to The Clipper.

Guess every one is enjoying this nice warm weather. The farmers can start on their crops for the new year, but we just can't imagine what this year has in store for us, although we hope it's all for the best.

Mr. G. T. Moore and daughter, Mrs. C. M. Whitehurst, were guests of his brother, Mr. Daniel Moore, of Andalusia, Saturday.

Friend s of Mr. G. T. Moore will be glad to know Mrs. he is able to get around again.

We surely are having a lot of moving here now. We miss those who have moved from the community, but sincerely welcome our new neighbors in.

Mr. and Mrs. William Law Kelley, of Troy, and Mrs. Mildred Willis and baby visited Mrs. Edith Kelley Thursday afternoon.

Mr. and Mrs. Roy Ammons and daughter, Mary Virginia, spent Sunday with Mrs. Ammons' mother, Mrs. Fomon Grant.

Mr. and Mrs. Ed Kelley and daughters, Nell and Lois, had as their guests Saturday afternoon and night, Rev. B. F. Pierce, of Opp; Mr. and Mrs. Cordell Pierce and daughters, Frances and Marie; Mr. and Mrs. John Frank Campbell and son, John Frank Jr.; of Henderson; Miss May Desse Simmons, Bobbie and Dewey Nelson of Zear; Leroy Foley and Jacob Sims, of Pine Level.

Mr. and Mrs. J. O. Carter and son, Mr. and Mrs. Foyle Carter, of Ozark, visited their daughter, Miss Jewel Mae Carter, of Troy, Saturday night.

Miss Nell Kelley visited her sister, Mrs. D. C. Miles, Sunday afternoon.

Nell and Lois Kelley had as their guests through the day Sunday, Ray Ruid, Truman Fuller, of Zion Chapel; Ivy and Parker Grant, Emory Kelley, James and Alcorn Davis, of Coffee; Nell Wilks, Audra Stevens, of Zion Chapel; Annie Louise Drinkard, of Zear; Police Officer, of Ozark; and Violet Allen.

Mr. and Mrs. Foyle Carter, of Ozark, and Mr. and Mrs. Roy Carter, of Palmyra, were guests of Mr. and Mrs. J. O. Carter the past week end.

Mrs. Addie Miles and daughter, Lizzar Miles, visited Mrs. Lula White last Thursday afternoon.

Mr. Luther Moore, of Collins bus, Ga. and cousin, Marian and Jean Henderson, of Zion Chapel, were guests of Miss Lois Kelley last Sunday week.

Mr. Lloyd Allen was the guest of Miss Bryan Sunday.

Mr. William Mills, of Goshen, was the guest of his parents, Mr. and Mrs. L. L. Mills.

Mr. and Mrs. Cordell Pierce recently visited Mr. and Mrs. A. F. Grant.

Mr. and Mrs. C. C. Grant, of near Brundidge, took dinner with Mr. and Mrs. J. O. Carter last Tuesday.

Mr. and Mrs. J. O. Carter spent Sunday night with their son, Roy Carter, of Palmyra.

Mr. Fate Grant, of County Line, took supper with his sister, Mrs. Edd Kelley, Monday evening.

We are sorry to see so many of the boys leave for the Army but may God bless each of them, and may there be a grand future in store for them, is our prayer.

Until I return, I'll say, so long and go to church Sunday.

OBITUARY—DAUGHTY
On December 13th, 1941, the death angel visited the home of J. C. Daughtry and took the beloved husband and father.

"Daddy" had been in very bad health for a long time and had often repeated that he was ready and wanted to go, for his suffering was so great at times. Although his death was no surprise, it was a great shock to his numerous friends and relatives.

"Daddy" was born Dec. 16, 1861 and passed away Dec. 13, 1941. He soon would have entered his 80th year.

He leaves to mourn his passing his wife, Mrs. Bonnie Daughtry, and small son, Guy Daughtry; six children by a former marriage, Bama Jordan, Earnest Daughtry, Gusie Grimes, J. C. Daughtry, Jr., Perry Daughtry, Ernie Grantham; one brother, Mr. Bill Daughtry; one sister, Mrs. Becky Smart; twenty grandchildren and eleven great-grandchildren.

Sleep on, dear Daddy; may your eternal rest be much better than the long, rugged path you trod while here on this sinful earth. Written by one who knew and loved him.

CARD OF THANKS
To all our dear friends and neighbors who were so kind during Daddy's long sickness and at the time of his death, we want to express our sincere thanks, and may God's richest blessing ever be yours, is our prayer.
Mrs. Bonnie Daughtry and Son, Guy Daughtry.

INSULATION FOUND TO BE
NEW MARKET FOR COTTON
AUBURN, Ala.—There is a new market for cotton that will use around 740,000 bales a year if only 10 per cent of the potential market is captured. The field is that of insulation. Use of cotton for this purpose is apparently past the experimental stage.

Most cotton insulation to date has been used in home construction. Tests, however, show that the lightness and cohesiveness of cotton insulation make it a natural where setting by vibration is a factor.

Registrations for workers in the area of the Triangular Division Camp will be received at the following times and places:

U. S. EMPLOYMENT OFFICE
WILL RECRUIT WORKERS

Announcement of the opening of a branch office of the United States Employment Service at Ozark to recruit workers for the building of the Triangular Division Camp near Ozark was made Monday by C. F. Anderson, Director for Alabama of the United States Employment Service.

The office began operations in the Dale County courthouse but will be moved to a site near the point of construction as soon as a building can be completed. It will be a branch of the Detham area office, of which H. O. Davis is manager. Oliver Stone has been appointed acting manager of the Ozark office.

Mr. Anderson stated that the prime contractor, J. A. Jones Construction Company, had informed the United States Employment Service that skilled union labor will be used exclusively by the company, but that first call into service will be given to local workers provided they are qualified for the job and those in skilled classifications who have tools required for the particular task. Under the labor employment policy outlined by the prime contractor, all workers will be recruited through the United States Employment Service but must present satisfactory evidence of union affiliation or that arrangements have been made to become members of the union before they will be permitted to go on the job.

Mr. Anderson also said that every person who desires work in the Dale County project contact the representative of the United States Employment nearest his home," said Mr. Anderson. "It is not necessary for any person who resides in any other county to go to Ozark to register. In fact, the Ozark office will be limited in its registration work to persons who live in Dale County. The Employment Service maintains an office at Ozark which will register residents of Houston County. The Service also sends representatives every other week of points in Geneva, Coffee and Henry Counties and they will register persons who seek work on the Dale County project."

Registrations for workers in the area of the Triangular Division Camp will be received at the following times and places:

Dale County—Ozark courthouse (until office is moved to camp site), 8:30 a. m. to 5 p. m. each day.

Houston County—Dothan Employment office, St. Andrews and Troy streets, 8:30 a. m. to 5 p. m. each day.

Coffee County—Elba courthouse, every other Thursday, 2 to 5:30 p. m., beginning January 29; Enterprise, every other Thursday, 9 to 12 noon, beginning January 29; New Brockton, W. P. A. recreation hall, every other Thursday 1 to 2 p. m., beginning January 29.

Geneva County—Geneva courthouse every other Tuesday, 11:30 to 3:30 p. m., beginning February 3; Hartford, Legion club house, every other Tuesday, 9:30 to 11 a. m.

U. S. EMPLOYMENT OFFICE
WILL RECRUIT WORKERS

Announcement of the opening of a branch office of the United States Employment Service at Ozark to recruit workers for the building of the Triangular Division Camp near Ozark was made Monday by C. F. Anderson, Director for Alabama of the United States Employment Service.

The office began operations in the Dale County courthouse but will be moved to a site near the point of construction as soon as a building can be completed. It will be a branch of the Detham area office, of which H. O. Davis is manager. Oliver Stone has been appointed acting manager of the Ozark office.

Mr. Anderson stated that the prime contractor, J. A. Jones Construction Company, had informed the United States Employment Service that skilled union labor will be used exclusively by the company, but that first call into service will be given to local workers provided they are qualified for the job and those in skilled classifications who have tools required for the particular task. Under the labor employment policy outlined by the prime contractor, all workers will be recruited through the United States Employment Service but must present satisfactory evidence of union affiliation or that arrangements have been made to become members of the union before they will be permitted to go on the job.

Mr. Anderson also said that every person who desires work in the Dale County project contact the representative of the United States Employment nearest his home," said Mr. Anderson. "It is not necessary for any person who resides in any other county to go to Ozark to register. In fact, the Ozark office will be limited in its registration work to persons who live in Dale County. The Employment Service maintains an office at Ozark which will register residents of Houston County. The Service also sends representatives every other week of points in Geneva, Coffee and Henry Counties and they will register persons who seek work on the Dale County project."

Registrations for workers in the area of the Triangular Division Camp will be received at the following times and places:

Dale County—Ozark courthouse (until office is moved to camp site), 8:30 a. m. to 5 p. m. each day.

Houston County—Dothan Employment office, St. Andrews and Troy streets, 8:30 a. m. to 5 p. m. each day.

Coffee County—Elba courthouse, every other Thursday, 2 to 5:30 p. m., beginning January 29; Enterprise, every other Thursday, 9 to 12 noon, beginning January 29; New Brockton, W. P. A. recreation hall, every other Thursday 1 to 2 p. m., beginning January 29.

Geneva County—Geneva courthouse every other Tuesday, 11:30 to 3:30 p. m., beginning February 3; Hartford, Legion club house, every other Tuesday, 9:30 to 11 a. m.

ANON 4-H CLUB BOYS HELD
FISH FRY, DISMUCKE BRIDGE
The Anon 4-H Club boys held a fish fry at Dismucke Bridge on Pea River Friday evening between the hours of 4 and 7:30. Fish and "hush puppies" were cooked to a golden brown in a wash-pot filled with boiling fat.

Following the feast, a program of recreation, including games, stories and songs, was enjoyed. The entertainment was planned by the club's recreation committee and was directed by J. S. Willoughby, local leader, and H. C. Arant, 4-H agent.

Fourteen club members were present.
